

Private Deliveries

Schenker offers two options when the consignee is a private person:

1. Private Delivery – home at the door

Private Delivery is a service for carriage of goods from a business customer to a consignee at a private address.

The ordinary Groupage Agreement or the Single item parcels up to 30 kilos Agreements are used for calculating Private Delivery prices, but with an addition for Private Delivery.

Physical limitations:

Maximum real weight per parcel:	90 kilos
Number of parcels:	Unlimited
Max. measurements:	Each separate parcel shall when packed be of such a shape that two people can carry it into the house and to the position indicated by the consignee. Parcels that exceed the physical limitations will be delivered at ground/street level.
